Vashon, WA // Seattle, WA

I have a strong drive and determination to create user-centered designs that provide solutions to problems that enhance usability and engagement. My professional goal is to be part of a creative agency where I can continue to develop my expertise in UX/UI Design and to dabble in other creative areas. I want to tackle challenging roles that allow me to make meaningful impacts on the world.

Education

Pierce College, Lakewood, WA
Associate of Applied Science in New Media and Digital Design degree
UX/UI Design Certificate
Expected graduation: Fall 2025

Vashon Island High School, Vashon, WA
Graduated: June 2018

Experience

Golden Key Art || Internship 2025
Creating newsletters for painting workshops
Utilized business style guides to create eye-catching designs
Conducting usability tests on preferred newsletters

SLAM Art & Literacy Magazine || Internship 2024-2025
Worked on layout and photo editing to ensure print standard
Designed the final design of the front, back, and spine of magazine.
